Title: GSI 61 End of Service

Product: GSI 61™

Author: GSI Product Management

End of Service Announcement

This bulletin is to announce the end of service for the GSI 61™. The GSI 61 ended production December 2013. At that time, we indicated service would be provided for 7 years or to the best of our ability. There are some parts that are no longer available. Going forward we will only be able to service the product based on parts available. Please contact the service department to determine if a part is available (service@grason-stadler.com or 877-722-4490).
