Title: End of Life Notice
Product: ERO SCAN Classic OAE
Author: Michael Ramirez, Sales Director

MAICO ERO SCAN Classic End of Life:

Effective July 2015, the ERO SCAN Classic OAE device was discontinued from the MAICO product line due to depleted parts. The device will be supported and serviced on a best effort basis for seven years until 2022.

The replacement OAE devices are the ERO SCAN and the ERO SCAN Pro.
