

**Published Date:** 7/1/2020

**Title:** End of Life Notice

**Product:** ERO SCAN Pro OAE / Tympanometry

**Author:** Michael Ramirez, Sales Director

Effective July 1, 2020, the ERO SCAN Pro (OAE, OAE/Tymp) device is discontinued from the MAICO product line. The device will be supported and serviced on a best effort basis for the next five to seven years.

The replacement OAE device is the ERO SCAN.

The replacement tympanometry devices are the easyTymp and touchTymp series.
