**DATE:** October 01, 2015

**RA500 End of Life**

Dear Distribution,

Effective October 1, 2015, Tremetrics will no longer be selling the RA500 audiometer. This decision was based on the sourcing of several of the components on the unit. Any questions on an RA500 in the field, please contact our service department anytime.

Any questions, please contact me anytime.

Thank you,

**Shaun Kelly**  
National Sales Manager
